ABOUT HONDAO

HODOO Hongdao Sanitary Ware has nearly 50,000 square meters of production bases in Zhaoqing, Guangdong Province and Fengcheng, Jiangxi Province, and is a high-tech enterprise integrating production, design, processing and sales.

The company has established cooperative relationship with many domestic famous real estate enterprises, whole-house customized brands and sanitary ware brands. The two production bases are equipped with automated production lines, environmental protection equipment and high-precision five-axis machining machines and other advanced production equipment. The product line covers a series of artificial stone sanitary ware products such as pure acrylic bathtubs, artificial stone one-piece basins, countertop basins, pedestal basins, sinks, shower sumps and so on.

Since its establishment, the company has obtained a series of authoritative certificates and honors, such as ISO certification, SGS product certification, and the enterprise won the title of national high-tech enterprise.

The company to quality, service as the core, practicing "to become the most influential artificial stone sanitary ware brand" mission, 20 years has been adhering to the "innovation to define the future, design to change the daily" product concept adhering to the innovation. Excellence. Cooperation. Win-win core values, focusing on the production of each product, service each customer with heart.
