About US

HONDOO Hongdao Sanitary Ware, a national high-tech enterprise, operates from two production bases in Guangdong and Jiangxi totaling nearly 50,000 square meters. It integrates production, design, processing, and sales, and serves well-known real estate companies, home customization brands, and other sanitary ware brands. The company is equipped with automated production lines, environmental protection equipment, and high-precision machinery, and manufactures a range of artificial stone sanitary ware, including acrylic bathtubs, integrated basins, countertop basins, sinks, and shower trays. It holds CE and cUPU certifications and is committed to quality, service, and becoming a leading brand in artificial stone sanitary ware, emphasizing innovation, design, and customer-focused values.

CERTIFICATE

HONDOO is committed to the highest standards of quality and safety. Our products undergo rigorous testing and comply with international regulations to ensure reliability for every project.
